UNIK ZOOTHERAPY: Zootherapy improves a person's physical, social, emotional and cognitive skills.

Here are our 4 different services from Unik ZOOTHERAPY that are available to you:
(Circle the service of your choice)

Animal visit:

This is an individual or group visit, which takes place on a regular basis. This type of activity allows a moment of pleasure and relaxation.

Cost:..... \$75/hour

Zoo-animation:

More social and lively in nature, this service offers visits to several types of animals. In addition, it allows participants to learn more about the different characteristics and abilities of animals.

Cost:.....\$85/hour

Group tour (at our location in Hammond):

Wagon ride around our property, in order to visit the farm animals.
Access also to the playground, picnic and Unik House.

Cost:.....\$100/hour

Zootherapy:

Therapy by which an animal facilitates the relationship of help with the person through specific goals in terms of language skills, communication, socialization, etc.

Cost:.....\$100/hour

For your information:

- Zootherapy is available at Unik House (2838 Nolan Rd., Hammond) or at your location (Transportation charges apply: \$0.45/kilometre).
- You can choose which animal you are more interested in.
- Here are the types of animals available for our sessions at different locations: Rabbit, dog, cat, guinea pig, goat, chicken, etc.

Authorization form

The establishment is committed and accepts:

1) Disclaimer: This form is mandatory and must be signed by a representative allowing your patients or residents to participate in activities related to Zootherapy.

2) Inherent risk: This program may have certain elements of risk and may result in accidents that can cause injury. Here are some examples of the type of accident to which he/she may be exposed: Any injuries related to the activities of the zootherapy.

As a result, clients are encouraged to follow instructions carefully and exercise caution at all times, which can reduce the risk of an accident.

It is recognized that by registering for the service, "UNIk Experience", there are certain risks.

_____ Gives permission to Unik Experience to offer their
(name of establishment)
